## ABOUT ME

I am a passionate and innovative storyteller with an eye for detail. I pride myself on being an outgoing, self-motivated individual who is driven to create timely media content guided by authenticity, empathy, and accuracy. I have experience as both a team member, and a team leader, and believe that communication is key to any work environment.

## WORK EXPERIENCE

### MULTIMEDIA MARKETING INTERN

IES ABROAD

Jan 2025 - June 2025

- As an intern I worked with the marketing team on a variety of multi media projects from conception to release.
- Responsible for filming, editing, writing, pitching, web design, and distribution of digital content.
- Audience engagement, and content performance, research.
- Concept development, and research, offering new and innovative ideas.
- Collaboration with several different roles and aspects of the IES Abroad team.

### FREELANCE MULTIMEDIA JOURNALIST

VARIOUS ORGANIZATIONS

Dec 2023 - Present

- Content creation for Process Media, 350 Wi, Southern Wi Bird Alliance, Wi Master Naturalists, and Imaginary People Productions.
- Responsible for filming, editing, interviewing, research, and concept development for a variety of platforms.
- Collaboration and communication between parties for successful products.
- Self motivated time management and scheduling.
